

**AMAZONIAN BRAZIL:  
“PRIMATES AND PARROTS”  
SYSTEMATIC LIST**

**14 – 28 May 2024**

*Golden-white Tassel-eared Marmoset © Chris Collins May 2024*

# AMAZONIAN BRAZIL: PRIMATES AND PARROTS”

14 – 28 May 2024

## Itinerary

14 May	Alfaville, Manaus.
15 May	Musa Tower, Manaus. Embark <i>Iracema</i> . Praia Grande.
16 May	Ariau River. Jacareubal ‘Dolphin Swim’. Xiborezinha Channel.
17 May	Anrã. ‘Meeting of the Waters’. Sailing east down Amazon.
18 May	Novo Olinda do Norte. Paraná do Arariá. Rio Canumã.
19 May	Canumã village. Paraná do Urariá. Lago Tambaqui.
20 May	Paraconi River. Paraná do Urariá.
21 May	Maues River. Nova Jerusalem. Rio Parauari.
22 May	Amana River. Igarapé Macauari.
23 May	Maues Mirim. Boa Vista do Ramos. Rio Curuça. Paraná do Ramos.
24 May	Juruti Velho. Cruising east on Amazon. Trombetas River. Axepicá.
25 May	Pancada. Erepecuru River. Juruna and Açau Lakes.
26 May	Axepicá. Trombetas River.
27 May	Alter do Chão.
28 May	Disembark <i>Iracema</i> .

# AMAZONIAN BRAZIL:

## “PRIMATES AND PARROTS”

14 – 28 May 2024

### Systematic List

The taxonomy and English names used in this systematic list for mammals generally follows the treatment proposed in the *Handbook of Mammals of the World* series by Lynx Editions.

For birds, we have adopted the recommendations of the IOC's *World Bird List* with revisions made where an alternative name/taxonomy is considered more appropriate.

### Mammals

#### **Southern Tamandua** *Tamandua tetradactyla*

A lone individual was seen on 17 May along a tributary on the southern bank of the Solimoes River.

#### **Linnaeus's Two-toed Sloth** *Choloepus didactylus*

Single individuals were seen on three dates.

#### **Brown-throated Sloth** *Bradypus variegatus*

The commonest sloth in the region with at least thirteen recorded across three dates.

#### **Pale-throated Three-toed Sloth** *Bradypus tridactylus*

Usually this species is the least frequently encountered sloth on WildWings' trips to Amazonia, however, a lone individual was seen well in the late afternoon whilst cruising south along the Trombetas River (26 May).

#### **Santarem Marmoset** *Mico humeralifer*

This marmoset can be tricky to locate as they are often found high in the canopy, however, we were fortunate to find a small family group which we were able to watch for over an hour. There were at least three individuals and they spent the entire time in one large tree and we were able to watch them through the telescope grooming each other – an incredible experience and, undoubtedly, one of the highlights of the trip.

Santarem Marmoset © Chris Collins May 2024

**Satere Marmoset** *Mico saterei*

Another marmoset that can be difficult to locate but after a longish morning ashore exploring around the village of Canumã (19 May) we were rewarded with some fantastic views of this handsome primate.

Satere Marmoset © Chris Collins May 2024

**Golden-white Tassel-eared Marmoset**  
*Mico chrysoleucus*

This fantastic looking monkey was seen exceptionally well on the canoe ride a little to the north of Novo Olindo on the morning of 18 May. A troupe of eight individuals were watched at close range for an extended period as they fed in the trees along the edge of a channel.

Golden-white Tassel-eared Marmoset © Chris Collins May 2024

**Midas Tamarin** *Saguinus midas*

Several were seen near Pancada on along the Erepecuru River (north of the Amazon) on 25 May.

**Pied Tamarin** *Saguinus bicolor*

This primate has seemingly always had a very limited world range which, unfortunately, overlaps with Manaus and with the ongoing expansion of the city, the forest available for this species has declined markedly in recent years and it is now classified by the IUCN as critically endangered.

A family group of six or so individuals was seen from the Musa Tower on the outskirts of Manaus on 15 May.

Martins's Bare-faced Tamarin © Chris Collins May 2024

**Martins's Bare-faced Tamarin** *Saguinus martinsi*

Like the previous species, this tamarin has a comparatively small range, however, it does not face the same challenges as Pied Tamarin.

Whilst it had only been seen on one occasion on previous “Primates and Parrots” cruises, we enjoyed some fantastic views in 2024.

**Spix's Night Monkey** *Aotus vociferans*

We were extremely fortunate to come across at least three of these nocturnal primates shortly after dark on 15 May whilst returning from looking for Golden-brown (Spix's Black-headed) Uacari at Praia Grande.

**Humboldt's Squirrel Monkey** *Saimiri cassiquiarensis*

Almost all of the four species of squirrel monkeys seen on this trip have ranges which do not overlap, with this species being found west of the Rio Negro and north of the Solimoes. It was seen on 16 May at both Araiú and Xiborezinha.

Humboldt's Squirrel Monkey © Chris Collins May 2024

**Golden-backed Squirrel Monkey** *Saimiri ustus*

Found south of the Amazon and Solimoes Rivers and seen on two dates (17-18 May).

**Collins' Squirrel Monkey** *Saimiri collinsi*

Generally this species occurs east of the Tapajos River but there is a small population on the west bank which seemingly live alongside Golden-backed Squirrel Monkeys and a couple of troupes were seen on 24 May.

**Guianan Squirrel Monkey** *Saimiri sciureus*

Only seen in the latter stages of the trip when north of the Amazon with this species seen on 25 May whilst exploring along the Erepecuru River.

**Brown Capuchin** *Sapajus apella*

The most frequently encountered primate of the voyage with sightings on seven dates.

**Spix's White-fronted Capuchin** *Cebus unicolor*

Seen on both 20 and 21 May.

**Humboldt's White-fronted Capuchin** *Cebus albifrons*

Seen on 16 May at Araiú.

**Chestnut Weeper Capuchin** *Cebus castaneus*

Two near Pancada village along the Erepecuru River on 25 May.

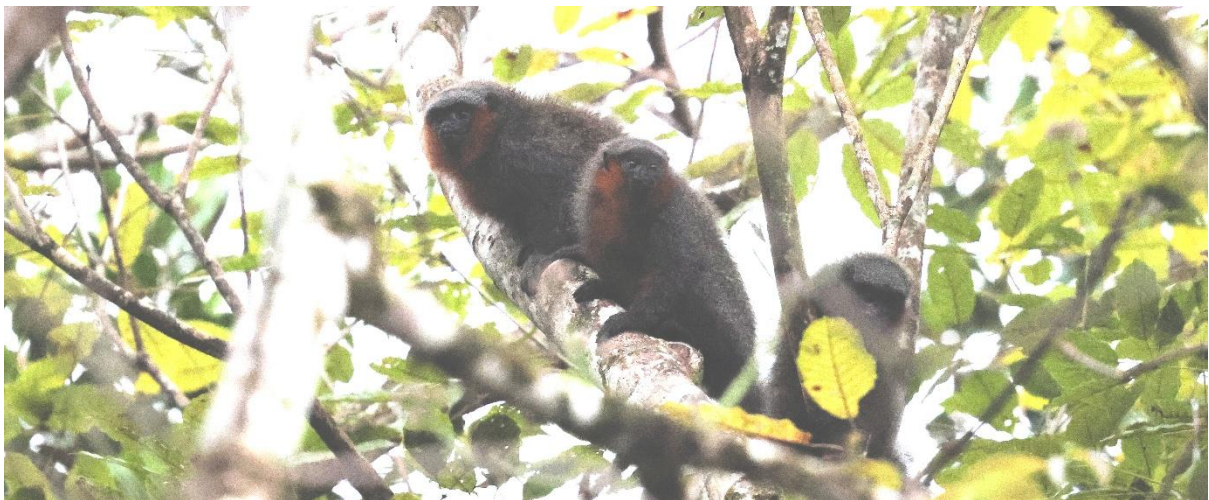

Humboldt's White-fronted Capuchin © Chris Collins May 2024

**Ashy Titi** *Plecturocebus cinerascens*

We got very close to a troupe of this species which was calling loudly on the morning of 19 May but, unfortunately, they remained in a position where it was not possible to see them.

Lake Baptista Titi © Chris Collins May 2024

**Lake Baptista Titi** *Plecturocebus baptista*

Like a number of the primates seen on this voyage, this species has a very restricted range but four were seen extremely well a little to the north of Novo Olindo on 18 May.

**Chestnut-bellied Titi** *Plecturocebus caligatus*

There were some distant views of one at Anrã on 17 May. Unfortunately, this was disturbed by a local boat and could not be relocated.

Red-bellied (Dusky) Titi © Chris Collins May 2024

**Red-bellied (Dusky) Titi** *Plecturocebus moloch*

Two individuals were seen during the canoe ride at Alter do Chaõ on 27 May.

**Hoffmann's Titi** *Plecturocebus hoffmannsi*

Three were found on 22 May with four individuals two days later.

**White-faced Saki** *Pithecia pithecia*

A lone individual near Pancada on the Erepecuru River (north of the Amazon) on 25 May.

**Golden-faced Saki** *Pithecia chrysocephala*

Seen in a forest patch within the city limits of Manaus (14 May) and also on 26 May along the Trombetas River.

**Gray's Bald-faced Saki** *Pithecia irrorata*

Three of these exceptionally hairy sakis were seen along the Amana River on 22 May.

**Red-nosed Bearded Saki** *Chiropotes albinasus*

Four individuals were found on 22 May whilst exploring along the Amana River.

**Guianan Bearded Saki** *Chiropotes sagulatus*

A good-sized troupe was seen in the late afternoon of 25 May along the Erepecuru River (north of the Amazon) in the latter stages of the trip.

**Golden-brown (Spix's Black-headed) Uacari** *Cacajao melanocephalus*

Frustratingly brief views on our first afternoon aboard *Iracema* (15 May) at Praia Grande.

Colombian Red Howler © Chris Collins May 2024

**Colombian Red Howler** *Alouatta seniculus*

This species is found west of the Rio Negro so we were only in range at the very beginning of the voyage and it was found at Xiboreninha on 16 May.

Guianan Red Howler © Chris Collins May 2024

**Guianan Red Howler** *Alouatta macconnelli*

This species is found north of the Amazon and east of the Rio Negro with the first sightings being from the Musa Tower in the protected forest north of Manaus on 15 May. Our itinerary meant we were then only back in range for this species towards the end of the voyage with more seen along the Erepecuru River on 25 May.

Amazon Black Howler © Chris Collins May 2024

**Amazon Black Howler** *Alouatta nigerrima*

Seen on a daily basis from 20-22 May.

**Spix's (Red-handed) Howler** *Alouatta discolor*

One of the last primates of the voyage and found at Alter do Chaõ on the last full day aboard *Iracema* (27 May).

Red-faced Black Spider Monkey © Chris Collins May 2024

**Red-faced Black Spider Monkey** *Ateles paniscus*

Spider monkeys are often tricky to find on this itinerary so decent views of one near Pancada on the Erepecuru River on 25 May was well received.

**Black Toro** *Toromys grandis*

Sometimes known as the Giant Tree-rat, one of these large tree-rats was seen peering out of a tree hole during the canoe ride at Juruti Velho on 24 May.

**Red-nosed Armoured Tree-rat** *Makalata didelphoides*

This species is generally the most frequently encountered tree-rat in this part of Amazonia and was found on two nocturnal canoe rides (19 and 21 May).

**Neotropical Pygmy Squirrel** *Sciurillus pusillus*

One in the same tree as the Santarem Marmosets on 23 May.

**Yellow-throated Squirrel** *Sciurus gilvigularis*

A lone individual on 26 May.

**Southern Amazon Red Squirrel** *Sciurus spadiceus*

Like all squirrel species in this part of the Amazon, the red squirrels seem to only occur in relatively low densities with one seen on 17 May at Anrã.

**Kinkajou** *Potos flavus*

One on a nighttime canoe ride on 22 May.

**Giant Otter** *Pteronura brasiliensis*

Four on 24 May.

Tucuxi © Chris Collins May 2024

**Tucuxi** *Sotalia fluviatilis*

Seen on a daily basis from 16 May onwards.

**Amazon River Dolphin** *Inia geoffrensis*

Seen on a more or less daily basis whilst on *Iracema*.

Amazon River Dolphin © Chris Collins May 2024

**Northern Ghost Bat** *Diclidurus albus*

Seen on a couple of nocturnal canoe rides.

**Greater Bulldog Bat** *Noctilio leporinus*

Seen on several occasions at dusk.

**Sharp-nosed Bat** *Rhynchonycteris naso*

The most frequently encountered bat species as it regularly roosts in small groups on the trunks of trees along water channels.

## Birds

**Great Tinamou** *Tinamus major*  
**Cinereous Tinamou** *Crypturellus cinereus* (H)  
**Undulated Tinamou** *Crypturellus undulatus* (H)  
**Variegated Tinamou** *Crypturellus variegatus* (H)  
**Horned Screamer** *Anhima cornuta*  
**Black-bellied Whistling Duck** *Dendrocygna autumnalis*  
**Muscovy Duck** *Cairina moschata*  
**Brazilian Teal** *Amazonetta brasiliensis*  
**Speckled Chachalaca** *Ortalis guttata*  
**Little Chachalaca** *Ortalis motmot*  
**Marial Guan** *Penelope marial*  
**White-crested Guan** *Penelope pileata*  
**Nacunda Nighthawk** *Chordeiles nacunda*  
**Sand-coloured Nighthawk** *Chordeiles rupestris*  
**Lesser Nighthawk** *Chordeiles acutipennis*  
**Short-tailed Nighthawk** *Lurocalis semitorquatus*  
**Band-tailed Nighthawk** *Nyctiprogne leucopyga*  
**Pauraque** *Nyctidromus albicollis*  
**Ladder-tailed Nightjar** *Hydropsalis climacocerca*  
**Rufous Nightjar** *Antrostomus rufus*  
**Common Potoo** *Nyctibius griseus*  
**Grey-rumped Swift** *Chaetura cinereiventris*  
**Band-rumped Swift** *Chaetura spinicaudus*  
**Chapman's Swift** *Chaetura chapmani*  
**Short-tailed Swift** *Chaetura brachyura*  
**Fork-tailed Palm Swift** *Tachornis squamata*  
**White-necked Jacobin** *Florisuga mellivora*  
**Streak-throated Hermit** *Phaethornis rupurumii*  
**Reddish Hermit** *Phaethornis ruber*  
**Green-tailed Goldenthrout** *Polytmus theresiae*  
**Black-throated Mango** *Anthracothorax nigricollis*  
**Glittering-throated Emerald** *Chionomesa fimbriata*  
**Blue-chinned Sapphire** *Chlorestes notata*  
**Greater Ani** *Crotophaga major*  
**Smooth-billed Ani** *Crotophaga ani*  
**Little Cuckoo** *Coccyzua minuta minuta*  
**Squirrel Cuckoo** *Piaya cayana*  
**Dark-billed Cuckoo** *Coccyzus melacoryphus*  
**Scaled Pigeon** *Patagioenas speciosa*  
**Pale-vented Pigeon** *Patagioenas cayennensis*  
**Ruddy Pigeon** *Patagioenas subvinacea*  
**Common Ground Dove** *Columbina passerina*  
**Ruddy Ground Dove** *Columbina talpacoti*

**White-tipped Dove** *Leptotila verreauxi*  
**Grey-fronted Dove** *Leptotila rufaxilla*  
**Grey-cowled Wood Rail** *Aramides cajaneus*  
**Purple Gallinule** *Porphyrio martinica*  
**Limpkin** *Aramus guarauna*  
**Black-necked Stilt** *Himantopus mexicanus*  
**Pied Plover** *Hoploxypterus cayanus*  
**Southern Lapwing** *Vanellus chilensis*  
**Collared Plover** *Anarhynchus collaris*  
**Wattled Jacana** *Jacana jacana*  
**Black Skimmer** *Rynchops niger*  
**Yellow-billed Tern** *Sternula superciliaris*  
**Large-billed Tern** *Phaetusa simplex*  
**Sunbittern** *Eurypyga helias*  
**Anhinga** *Anhinga anhinga*  
**Neotropic Cormorant** *Nannopterum brasilianum*  
**Buff-necked Ibis** *Theristicus caudatus*  
**Green Ibis** *Mesembrinibis cayennensis*  
**Rufescent Tiger Heron** *Tigrisoma lineatum*  
**Boat-billed Heron** *Cochlearius cochlearius*  
**Black-crowned Night Heron** *Nycticorax nycticorax*  
**Capped Heron** *Pilherodius pileatus*  
**Little Blue Heron** *Egretta caerulea*  
**Snowy Egret** *Egretta thula*  
**Striated Heron** *Butorides striata*  
**Great Egret** *Ardea alba*  
**Western Cattle Egret** *Ardea ibis*  
**Cocoi Heron** *Ardea cocoi*  
**Hoatzin** *Opisthocomus hoazin*  
**King Vulture** *Sarcoramphus papa*

Black Vulture on caiman corpse © Chris Collins May 2024

**Black Vulture** *Coragyps atratus*  
**Turkey Vulture** *Cathartes aura*  
**Lesser Yellow-headed Vulture** *Cathartes burrovianus*  
**Greater Yellow-headed Vulture** *Cathartes melambrotus*

**Osprey** *Pandion haliaetus*  
**Grey-headed Kite** *Leptodon cayanensis*  
**Hook-billed Kite** *Chondrohierax uncinatus*  
**Swallow-tailed Kite** *Elanoides forficatus*  
**Black Hawk-eagle** *Spizaetus tyrannus*  
**Double-toothed Kite** *Harpagus bidentatus*  
**Plumbeous Kite** *Ictinia plumbea*  
**Black-collared Hawk** *Busarellus nigricollis*  
**Snail Kite** *Rostrhamus sociabilis*  
**Crane Hawk** *Geranospiza caerulescens*  
**Slate-coloured Hawk** *Buteogallus schistaceus*  
**Savanna Hawk** *Buteogallus meridionalis*  
**Great Black Hawk** *Buteogallus urubitinga*  
**Roadside Hawk** *Rupornis magnirostris*  
**Black-faced Hawk** *Leucopternis melanops*  
**Grey-lined Hawk** *Buteo nitidus*  
**Short-tailed Hawk** *Buteo brachyurus*  
**Burrowing Owl** *Athene cunicularia*  
**Amazonian Pygmy Owl** *Glaucidium hardyi* (H)  
**Ferruginous Pygmy Owl** *Glaucidium brasilianum*  
**Tropical Screech Owl** *Megascops choliba* (H)  
**Black-tailed Trogon** *Trogon melanurus*  
**Green-backed Trogon** *Trogon viridis*  
**Blue-crowned Trogon** *Trogon curucui*  
**Amazon Kingfisher** *Chloroceryle amazona*  
**American Pygmy Kingfisher** *Chloroceryle aenea*  
**Green Kingfisher** *Chloroceryle americana*  
**Green-and-rufous Kingfisher** *Chloroceryle inda*  
**Ringed Kingfisher** *Megaceryle torquata*  
**Green-tailed Jacamar** *Galbula galbula*  
**Bronzy Jacamar** *Galbula leucogastra*  
**Paradise Jacamar** *Galbula dea*  
**Great Jacamar** *Jacamerops aureus* (H)  
**Guianan Puffbird** *Notharchus macrorhynchos*  
**Pied Puffbird** *Notharchus tectus tectus/picatus*  
**Spotted Puffbird** *Bucco tamatia*  
**Black Nunbird** *Monasa atra*  
**Black-fronted Nunbird** *Monasa nigrifrons*  
**Swallow-winged Puffbird** *Chelidoptera tenebrosa*  
**Green Aracari** *Pteroglossus viridis*  
**Black-necked Aracari** *Pteroglossus aracari*  
**Guianan Toucanet** *Selenidera piperivora*  
**Channel-billed Toucan** *Ramphastos vitellinus*  
**Toco Toucan** *Ramphastos toco*  
**White-throated Toucan** *Ramphastos tucanus*

**Bar-breasted Piculet** *Picumnus aurifrons*  
**Yellow-tufted Woodpecker** *Melanerpes cruentatus*  
**Little Woodpecker** *Veniliornis passrinus*  
**Golden-collared Woodpecker** *Veniliornis cassini*  
**Spot-breasted Woodpecker** *Colaptes punctigula*  
**Waved Woodpecker** *Celeus undatus*  
**Chestnut Woodpecker** *Celeus elegans*  
**Cream-coloured Woodpecker** *Celeus flavus*  
**Ringed Woodpecker** *Celeus torquatus*  
**Lineated Woodpecker** *Dryocopus lineatus*  
**Crimson-crested Woodpecker** *Campephilus melanoleucos*  
**Black Caracara** *Daptrius ater*  
**Red-throated Caracara** *Ibycter americanus*  
**Crested Caracara** *Caracara plancus*  
**Yellow-headed Caracara** *Milvago chimachima*  
**Laughing Falcon** *Herpetotheres cachinnans*  
**Bat Falcon** *Falco ruficularis*  
**Peregrine** *Falco peregrinus*  
**Tui Parakeet** *Brotogeris sanctithomae*  
**White-winged Parakeet** *Brotogeris versicolurus*  
**Golden-winged Parakeet** *Brotogeris chrysoptera*

Bald Parrot © Chris Collins May 2024

**Bald Parrot** *Pyrilia aurantiocephala*  
**Vulturine Parrot** *Pyrilia vulturina*  
**Dusky Parrot** *Pionus fuscus*  
**Blue-headed Parrot** *Pionus menstruus*  
**Short-tailed Parrot** *Graydidascalus brachyurus*  
**Festive Amazon** *Amazona festiva*  
**Mealy Amazon** *Amazona farinosa*  
**Orange-winged Amazon** *Amazona amazonica*  
**Green-rumped Parrotlet** *Forpus passerinus*  
**Red-fan Parrot** *Deroptyus accipitrinus*

Dusky Parrot © Chris Collins May 2024

Crimson-bellied Parakeet © Chris Collins May 2024

**Crimson-bellied Parakeet** *Pyrrhura perlata*  
**Painted Parakeet** *Pyrrhura picta*  
**Peach-fronted Parakeet** *Eupsittula aurea*  
**Red-bellied Macaw** *Orthopsittaca manilatus*  
**Blue-and-yellow Macaw** *Ara ararauna*  
**Chestnut-fronted Macaw** *Ara severus*  
**Scarlet Macaw** *Ara macao*  
**Red-and-green Macaw** *Ara chloropterus*

White-eyed Parakeet © Chris Collins May 2024

**White-eyed Parakeet** *Psittacara leucophthalmus*  
**Wedge-billed Woodcreeper** *Glyphorynchus spirurus*

**Long-billed Woodcreeper** *Nasica longirostris*

*Long-billed Woodcreeper* © Chris Collins May 2024

**Amazonian Barred Woodcreeper** *Dendrocolaptes certhia* (H)

**Hoffmann's Woodcreeper** *Dendrocolaptes hoffmannsi*

**Striped Woodcreeper** *Xiphorhynchus obsoletus*

**Straight-billed Woodcreeper** *Dendroplex picus*

**Zimmer's Woodcreeper** *Dendroplex kienerii*

**Band-tailed Hornero** *Furnarius figulus*

**Lesser Hornero** *Furnarius minor*

**Speckled Spinetail** *Thripophaga gutturata*

**Rusty-backed Spinetail** *Cranioleuca vulpina*

**Yellow-chinned Spinetail** *Certhiaxis cinnamomeus*

**Red-and-white Spinetail** *Certhiaxis mustelinus*

**Dot-winged Antwren** *Microrhopius quixensis*

**Amazonian Streaked Antwren** *Myrmotherula multostriata*

**Klages's Antwren** *Myrmotherula klagesi* (H)

**White-flanked Antwren** *Myrmotherula axillaris*

**Barred Antshrike** *Thamnophilus doliatus*

*Glossy Antshrike* © Chris Collins May 2024

**Glossy Antshrike** *Sakesphorus luctuosus*

**Blackish Antbird** *Cercomacroides nigrescens*

**Black-chinned Antbird** *Hypocnemoides melanopogon*

**Thrush-like Antpitta** *Myrmothera campanisona*

**Yellow-crowned Elaenia** *Myiopagis flavivertex*

**White-lored Tyrannulet** *Ornithion inerme*

**Slender-footed Tyrannulet** *Zimmerius gracilepes*

**Spotted Tody-flycatcher** *Todirostrum maculatum*

**Drab Water Tyrant** *Ochthornis littoralis*

White-headed Marsh Tyrant © Chris Collins May 2024

**White-headed Marsh Tyrant** *Arundinicola leucocephala*  
**Rusty-margined Flycatcher** *Myiozetetes cayanensis*  
**Social Flycatcher** *Myiozetetes similis*  
**Amazonian Inezia** *Inezia subflava*  
**Great Kiskadee** *Pitangus sulphuratus*  
**Lesser Kiskadee** *Philohydor lictor*  
**Streaked Flycatcher** *Myiodynastes maculatus*  
**White-throated Kingbird** *Tyrannus albogularis*  
**Tropical Kingbird** *Tyrannus melancholicus*  
**Fork-tailed Flycatcher** *Tyrannus savana*  
**Short-crested Flycatcher** *Myiarchus ferox*  
**Cinnamon Attila** *Attila cinnamomeus*  
**White-eyed Attila** *Attila bolivianus* (H)  
**Bright-rumped Attila** *Attila spadiceus* (H)  
**Capuchinbird** *Perissocephalus tricolor*  
**Screaming Piha** *Lipaugus vociferans* (H)  
**Spangled Cotinga** *Cotinga cayana*  
**Bare-necked Fruitcrow** *Gymnoderus foetidus*  
**Blue-backed Manakin** *Chiroxiphia pareola*  
**White-bearded Manakin** *Manacus manacus*  
**White-crowned Manakin** *Pseudopipra pipra*  
**Crimson-hooded Manakin** *Pipra aureola*  
**Red-headed Manakin** *Ceratopipra rubrocapilla*  
**Black-tailed Tityra** *Tityra cayana*  
**Masked Tityra** *Tityra semifasciata*  
**White-winged Swallow** *Tachycineta albiventer*  
**Brown-chested Martin** *Progne tapera*  
**Grey-breasted Martin** *Progne chalybea*  
**Southern Rough-winged Swallow** *Stelgidopteryx ruficollis*  
**Barn Swallow** *Hirundo rustica*  
**Black-capped Donacobius** *Donacobius atricapilla*  
**Thrush-like Wren** *Campylorhynchus turdinus*

**Moustached Wren** *Pheugopedius genibarbis*  
**Buff-breasted Wren** *Cantorchilus leucotis*  
**Southern House Wren** *Troglodytes musculus*  
**Tropical Gnatcatcher** *Polioptila plumbea*  
**Pale-breasted Thrush** *Turdus leucomelas*  
**White-lored Euphonia** *Euphonia chrysopasta*  
**Yellow-browed Sparrow** *Ammodramus aurifrons*  
**Red-breasted Meadowlark** *Leistes militaris*  
**Crested Oropendola** *Psarocolius decumanus*  
**Olive Oropendola** *Psarocolius bifasciatus*  
**Yellow-rumped Cacique** *Cacicus cela*  
**Orange-backed Troupial** *Icterus croconotus*  
**Giant Cowbird** *Molothrus oryzivorus*  
**Shiny Cowbird** *Molothrus bonariensis*

Oriole Blackbird © Chris Collins May 2024

**Oriole Blackbird** *Gymnomystax mexicanus*  
**Yellow-hooded Blackbird** *Chrysomus icterocephalus*  
**Red-billed Pied Tanager** *Lamprospiza melanoleuca*  
**Green Honeycreeper** *Chlorophanes spiza*  
**Purple Honeycreeper** *Cyanerpes caeruleus*  
**Blue Dacnis** *Dacnis cayana*  
**Black-faced Dacnis** *Dacnis lineata*  
**Bluish-grey Saltator** *Saltator coerulescens*  
**Bananaquit** *Coereba flaveola*  
**Blue-black Grassquit** *Volatinia jacarina*  
**Masked Crimson Tanager** *Ramphocelus nigrogularis*  
**Silver-beaked Tanager** *Ramphocelus carbo*  
**Wing-barred Seedeater** *Sporophila americana*  
**Chestnut-bellied Seed Finch** *Sporophila angolensis*  
**Chestnut-bellied Seedeater** *Sporophila castaneiventris*  
**Orange-fronted Yellow Finch** *Sicalis columbiana*  
**Red-capped Cardinal** *Paroaria gularis*

**Blue-grey Tanager** *Thraupis episcopus*

**Palm Tanager** *Thraupis palmarum*

**Turquoise Tanager** *Tangara mexicana*
